Mediterranean Red XP

## **Mediterranean Series Vinca**

**Mediterranean XP varieties make big, beautiful plants that show a whole lot more color and a lot less basket!**

XP genetics deliver a tight flowering window, significantly better spreading habit, larger flowers and improved germination. With low water needs in sunny, hot and dry conditions, this is a great alternative to water-hungry crops. Mediterranean offers a full assortment of key colors and mixes. Series features the only true red trailing vinca. Minimize your growing risk and deliver long-lasting retail displays with Mediterranean.

*Peach, Red and White all received excellent ratings from the University of Georgia 2008 trial gardens.*

*Series is a Kansas State Prairie Star Performer.*
