

Verbena EnduraScape Pink Bicolor Wins AAS National Award

Judges deem it 'truly spectacular' in its trials coast to coast.

Ball FloraPlant is proud to accept a [2017 All-America Selections National Award](#) for its top-performing verbena EnduraScape Pink Bicolor. AAS is the only trialing organization for plants that demonstrate great garden performance throughout North America. Judges were impressed with EnduraScape Pink Bicolor's vibrant color calling it "truly spectacular." The series is known for its long bloom time throughout the season's extremes.

Award winners get special recognition and promotion to home gardeners. Ball FloraPlant is encouraging growers to include [EnduraScape Pink Bicolor](#) in their spring assortment to meet the demand for award-winning flowers.
