

## Dianthus Rockin' Red Wins Four Oaks Award

**This dynamite new perennial was recognized as Best Plant Introduction Nursery Stock.**

Dianthus Rockin' Red has won the award for Best Plant Introduction Nursery Stock at the [2017 Four Oaks Trade Show](#). Four Oaks is a commercial horticultural show now in its 48th year. The venue is a 23-acre nursery site in Cheshire, UK, and covers an area of 17,000m<sup>2</sup> under glass with additional outdoor areas. The visitor profile includes commercial growers, grower/retailers, garden centers, farm shops, landscapers, garden designers, local authorities, and florists.

[Dianthus Rockin' Red](#) is bred by PanAmerican Seed/Kieft Seed under the helm of Linda Laughner (breeder) and Reid Snyder (product manager). It is a dynamite color with reliable overwintering (zone 5) for years of perennial garden enjoyment.
