Let's Talk About New Varieties

JIM DIRECTOR OF
NORTH AMERICAN SALES
KENNEDY

WHAT'S NEW FOR 2019? It's a question that we plant people all hope to get from prospective customers. It's a question we should be prepared to answer in a positive way that's most impactful, customized to the one asking. It's a question that may require a qualifying question in response, to better understand the needs of the customer.

However you answer that question, answer it with passion! Answer it with an energy level and an interest that reflects the creativity, curiosity and commitment of the plant breeders

that brought these new varieties to us. There are more than 1,000 exciting, new products in this new variety catalog! It's the most extensive listing of new products coming to our industry in 2019, and they're all available through Ball Seed.

The Ball Seed sales team, combined with our Customer Service team and Ball Seed's WebTrack® (the industry's best business management system available with live inventory to book product online 24/7), connect you to information to help position newest products, source the latest innovations

the way you want them (seed or plug, URC, liner, tissue culture, prefinished) and get these products delivered to you on time and on target.

Our Ball Seed team is eager to work with you on developing products and programs customized to your business and the goals you're striving for in 2019. I'm interested in learning more about your plans for 2019. I'd love to hear from you.

Thank you for entrusting your business to Ball Seed.

All the best in 2019!

BallSeed®

&
MORE

AngelMist Spreading Berry Sparkler

ANGELONIA

Alonia Bicolor Violet

Offers early and abundant flowering and good heat tolerance, and it can be grown in quarts.

Danziger

AngelMist® Spreading Berry Sparkler

This distinctive new pink bicolor has a surprise purple stripe, with the same larger flower size and early flowering as AngelMist Bluebird.

Ball FloraPlant®

ARGYRANTHEMUM

Alessia

Stunning, large, white daisy blooms over full silver foliage make it perfect for larger deco pots for early Spring decorating.

Selecta One®

LaRita™ Series

Brighten up gardens and containers with this early-flowering, uniform series that is offered in a large variety of standard and novelty colors.

- Hot Pink
- Pink Lemonade
- Red
- Rose
- Salmon Pink
- Toffee
- White
- Yellow

Selecta One®

LaRita Hot Pink Argyanthemum

LaRita Salmon Pink Argyanthemum

Canary Wings Begonia

BACOPA

Calypso Series

Big blooms and a trailing habit are the perfect mixer for early-season baskets and combos.

- Jumbo Lilac
- Jumbo Rose

Syngenta

BEGONIA

Canary Wings

Bright chartreuse green foliage and red flowers bring color to shade gardens, baskets and combinations, for a unique look on a global garden staple.

A Ball Ingenuity™ product, available exclusively through Ball Seed.

l'conia Portofino Champagne

l'conia Portofino Citrix

l'conia Portofino Hot Orange

l'conia Portofino Sunrise

BEGONIA continued

l'conia Tweetie Pie 2019

Unique, large-blooming begonias are well-branched and especially resilient in shipping.

Dümmen Orange®

l'conia Portofino Series

These large, vigorous trailing begonias feature sizeable blooms and dark green foliage, and they are excellent in gallons and patio pots.

- Champagne
- Citrix
- Hot Coral
- Hot Orange
- Salmon
- Sunrise
- Yellow

Dümmen Orange®

l'conia Upright White 2019

Less vigorous than other l'conias, the Upright series is just that – upright; plus it boasts medium vigor and is ideal for quarts and gallons.

Dümmen Orange®

Spring Fling Series

Series adds instant, elegant color for patio pots with its dark, clean foliage and very strong branching, plus it has a tight habit for big retail appeal.

- Buttercup
- Pink Tulip

Dümmen Orange® product, available exclusively through Ball Seed.

l'conia Tweetie Pie

l'conia Upright White 2019

Spring Fling Pink Tulip

Spring Fling Buttercup

Spring Fling Buttercup

Bee Bold Bidens

Bee Happy Bidens

BIDENS**Bee Bold**

50 to 70% more vigorous than Bee Alive, with a more upright habit than any red bicolor bidens on the market.

Ball FloraPlant®

Bee Happy

25 to 35% more vigorous than Bee Alive, but not as vigorous as Bee Bold.

Ball FloraPlant®

BRACTEANTHA**Mohave™ White 19**

Superior branching and mounding habit hold up at retail, while the big, brilliant flowers make Mohave perfect for mixed containers and landscaping.

Selecta One®

CALIBRACHOA**Aloha Kona Series**

Large, bright, tropical-colored flowers with a semi-upright, medium-compact habit that's ideal for quarts up to hanging baskets.

- Blue Sky 2019
- Sunshine 2019
- Tiki Soft Pink 2019

Dümmen Orange®

Aloha Nani Tropicana

Large, bright tropical-colored flowers with a semi-upright, compact growth habit that's perfect for pack and quart production.

Dümmen Orange®

Bloomtastic Pink Flare

A very vigorous series of calibrachoa with extra-large flowers, notable garden performance and heat tolerance.

Dümmen Orange®

Cabaret® Series

Cabaret carries the best-performing lineup of solid colors and exciting bicolors, and these three new colors offer early flowering to target production for week 14 or earlier.

- Golden Yellow
- Midnight Blue
- Neon Rose

Ball FloraPlant®

Cabrio Series

The controlled, mounded habit of this series works well in small pots and baskets.

- Amethyst
- Burgundy
- Eclipse Lilac
- Grape
- Pink
- Yellow

Syngenta

Cabaret Golden Yellow Calibrachoa

Cabaret Neon Rose Calibrachoa

Cabaret Midnight Blue Calibrachoa

CALIBRACHOA continued

Calitastic Series

Incredibly uniform in habit and flower timing, these calibrachoa are very early to flower and stay open and in flower under low light conditions.

- Orange
- White Improved

Westhoff

Callie Series

Series features big vigor, bold colors and continuous blooms from Spring to Fall.

- Coral
- Eclipse Lavender
- Orange Star

Syngenta

Caloha Classic Series

Series was bred under hot climate conditions, resulting in varieties with strong roots and durability in warmer conditions; habits are half-hanging to hanging with vigorous growth.

- Real Red
- Yellow Chocolate Ring

Hishtil

Candy Shop Grape Splash

A truly unique brushwork-pattern bicolor with an early flowering time and a semi-trailing habit, making it a perfect pick for cheerful Spring baskets or as a component in mixed containers.

Westhoff

Celebration Series

This series is comprised of compact and dense plants with half-hanging or full trailing growth habits.

- Cherry Red
- Mandarin

Hishtil

Colibri Lemon

Compact, early flowering calibrachoa series is best suited for quarts with little to no PGR needed.

Danziger

Lia Series

Medium vigor series for quarts and compact baskets has tight internodes for more flowers and great garden performance.

- Blue
- Bubblegum
- Melon
- Raspberry
- White
- Yellow

Danziger

MiniFamous® Neo Apricot Strike

Features large single blooms in core solids and bicolors with a uniform, semi-trailing habit and medium vigor.

Selecta One®

Great vigor and strong branching make this bright, showy series an ideal choice for baskets, containers and borders.

BEGONIA continued

Megawatt™ Series

Grow and sell high-voltage color earlier in the season. This king-sized series produces striking, non-stop flowers from Spring through Fall, on sturdy stems that hold blooms above lush foliage.

- Pink Green Leaf
- Red Green Leaf Improved
- Rose Green Leaf Improved

Nonstop Deep Rose Improved

Flowers freely with rich, deep rose double and semi-double blooms, 3.5 to 4.5 in. (9 to 11 cm) wide.

On Top® Series

Offering a collection of novelty colors, this series tolerates more heat and sunlight than other begonias, plus they bloom early and flower longer than other varieties.

- Fandango
- Melon Lace
- Pink Halo
- Sun Glow
- Sunset Shades

Senator IQ Series

Senator varieties marked with the iQ symbol have the darkest bronze foliage on the market, along with a more uniform, early-flowering and compact plant habit with large, bold blooms.

- Pink
- Rose
- Rose Bicolor
- Scarlet
- White
- Mix

Sprint Plus Series

Flowers 10 to 14 days earlier than others of this type, with excellent germination and young plant vigor.

- Blush
- Lipstick
- Orange Bicolor

Sun Dancer® Series

Double-flowered plants produce more and larger blooms than other varieties, at 2 to 5 in. (5 to 13 cm). Fills a hanging basket quickly and cascades up to 16 in. (41 cm).

- Apricot
- Pink
- Red
- Salmon
- Scarlet Orange
- White
- White Pink Picotee
- Yellow
- Yellow Red Picotee

Megawatt Pink Green Leaf

On Top Melon Lace

Sun Dancer Pink

Tophat Scarlet Begonia

Kabloom Denim Calibrachoa

Tophat Series

Largest blooms in the jumbo-sized, interspecific begonia class, this series finishes at least 1 week earlier than its leading competitors.

- Pink
- Scarlet
- White

CALIBRACHOA

Kabloom™ Denim

Bushy, trailing plants show off the same amount of color as mid-vigor vegetative calibrachoa – side-by-side, you can't tell the difference.

CANNA

Cannova® Red Flame F1

The first-ever seed F1 series offers an easy-to-grow option with improved economy and strong colors that will capture the landscape market and be a sure hit with home gardeners.

A Ball Ingenuity™ product, available exclusively from Ball Seed.

South Pacific Series F1

Vigorous, compact and virus-free plants produce single, 4-in. (10-cm) flowers quickly with excellent repeat blooming.

- Ivory
- Orange *2018 All-America Selections National Winner.*
- Rose

Cannova Red Flame Canna

First Flame Purple Celosia

CELOSIA

Bright Sparks Series

Series features large plumes, a very well-branched habit and great heat tolerance.

- Burgundy
- Mix

First Flame™ Purple

Finishes 10 to 14 days earlier than others of this type for reduced production costs, plus it offers uniform heights across all colors.

LETTUCE

Bronze Arrow

Sweet and delicious, with attractive, oak-leaf shaped, dark green leaves tipped in red-brown.

MUSTARD

Savanna F1

Heat, cold and drought-tolerant, with large, glossy, dark-green, oval-shaped leaves.

OKRA

French Quarter Series

Well-branched dwarf plant has attractive red and pink-veined foliage, creamy lemon pink blooms, and produces full-size, tender and tasty 3 to 4-in. (8 to 10-cm) fruits.

- Pink
- Red

ANAHEIM PEPPER

Desperado F1

This large-fruited pepper has early maturity and great yield potential.

ANCHO CHILI PEPPER

Carranza

High-performance ancho chili pepper is excellent for drying.

CHILI PEPPER

Alter Ego

CLEANLEAF trait results in healthier foliage for longer-lasting garden performance.

Arapaho

Enjoy high yields of early maturing fruit on a compact plant.

Atomic

CLEANLEAF trait results in healthier foliage for longer-lasting garden performance.

Golden Cayenne

Naturally compact chili pepper offers good retail and shelf life and excellent outdoor performance.

Gran Caribe F1

Extra-large fruited caribe (Santa Fe) chili pepper produces pungent, heavy-shouldered fruit with a conical shape and firm, thick walls.

Longhorn

This chili pepper plant grows large, long and curled hot fruits.

Super Khi

A beautiful ornamental plant with a semi-compact growth habit, sporting an abundance of hot chili peppers that are borne upright.

HABANERO PEPPER

Habanero Primero Red F1

Earliest ripening habanero on the market, with huge yields of large, mildly hot peppers.

Roulette F1

This 2018 All-America Selections National Winner resembles a traditional habanero pepper in every way (fruit shape, size and color, plant type) but one: No Heat!

HOT PEPPER

Dragon Roll

These 3 to 5-in. (8 to 13-cm) ethnic hot peppers top out at about 200 Scovilles, making them more mild than jalapeño peppers, but letting you know you got some heat.

JALAPEÑO PEPPER

Emerald Fire F1

Great for grilling, roasting and salsa, mega-jalapeños give more bang from every fruit. 2018 All-America Selections National Winner.

Jalapeño Gigante

These big, delicious peppers are great for salsa or stuffing.

Habanero Primero Red F1 Hot Pepper

Jalapeño Gigante Hot Pepper

SERRANO PEPPER**Sureño**

High-producing, large, straight-fruited serrano pepper has a medium-green color and excellent quality.

SWEET BELL PEPPER**Archimedes**

This sweet bell pepper with X3R® is a thick-walled green-to-red hybrid with large, blocky fruit.

Better Belle III

Sweet bell hybrid pepper yields plenty of shiny, firm, blocky fruit that ripens from green to red.

A Ball Ingenuity Product, available exclusively through Ball Seed.

Chili Pie F₁

With strong vigor and fruit-setting ability, this variety produces truly edible bell peppers with just a hint of heat.
2018 All-America Selections National Winner.

Confetti F₁

Mini sweet bell pepper has unique, eye-catching variegated foliage.

Jungle Parrot

Perfect for space-saving gardening, these plants grow strong without support.

Liberty Belle

CLEANLEAF trait results in healthier foliage for longer-lasting garden performance.

Confetti F₁ Sweet Bell Pepper

Better Belle III Sweet Bell Pepper

Jungle Parrot Sweet Bell Pepper

Snackabelle Red F1 Sweet Bell Pepper

New Ace F1

Early-maturing plant with green stems, green leaves and white flowers produces heavy yields of sweet peppers.

Snackabelle Red F1

Mini bell pepper excels in earliness, ease and eating!

Sweetie Pie F1

Easy-to-grow miniature sweet bell pepper boasts excellent fruit set even under hot and humid conditions. *2018 All-America Selections Regional Heartland, Northeast and Southeast Winner.*

SWEET PEPPER**Lola**

Sweet banana pepper has shiny color, super yields and sweet flavor.

BEEFSTEAK TOMATO**Atlas F1**

Determinate beefsteak tomato is well-suited for containers or in-ground production.

Damsel F1

This compact pink beefsteak tomato plant offers outstanding heirloom flavor with uniform fruits.

Atlas F1 Beefsteak Tomato

Atlas F1 Beefsteak Tomato

Shimmer F1 Small-Fruited Tomato

SALADETTE/SAUCE TOMATO**Camaro**

Mid-compact determinate plants produce early maturing, extra-large and firm red globe-shaped fruit.

SLICER TOMATO**Summerlast**

CLEANLEAF trait results in healthier foliage for longer-lasting garden performance.

SMALL-FRUITED TOMATO**Kitchen Minis Siam**

Enjoy fresh pot vegetables indoors with Kitchen Minis!

Mountain Magic

Brilliant red fruit with a juicy, smooth interior that is tropical-tasting, with low acid and high sugars.

Red Racer F1

2018 All-America Selections National Winner is a cocktail tomato variety that produces high-quality, great-tasting fruit in the garden or in large containers.

Ruby Crush

Widely-adapted, mid-early maturing grape tomato on mid-compact plants with good vigor. Good setting and size, with high final yield potential.

Shimmer F1

Gorgeous green/gold/burgundy fruits have a sweet taste and fantastic disease resistance to Bacterial speck, Bacterial spot and Stemphylium Leaf Spot.

SPINACH**Olympia**

Moderate-growing, bolt-tolerant, processing variety with large, smooth, elongated oval, medium-green leaves.

SQUASH**Butterbaby**

Enjoy an abundance of sweet, personal-size mini butternuts with classic light tan skin color.

STRAWBERRY**Summer Breeze Series**

A new approach in ornamental strawberries, featuring rose-like double flowers that are real eye-catchers.

- Pink
- Rose

SWISS CHARD**Fire Fresh**

Bright red petioles and medium dark-green, round-to-oval leaves with a slight texture make this plant appealing to baby leaf or Spring mix growers.

WATERMELON**Mini Love F1**

Personal-sized seeded watermelon yields up to 6 fruit per plant that hold well.

2018 All-America Selections National Award Winner.

Shimmer F1 Small-Fruited Tomato

Butterbaby Squash

TERMS and CONDITIONS of SALE

VISIT BALLSEED.COM FOR CURRENT TERMS AND CONDITIONS OF SALE.

Note: Ball Terms & Conditions of Sale are country/region specific. The following Terms & Conditions of Sale apply to product sold within the United States and Canada.

ACCEPTANCE OF TERMS

These terms and conditions shall govern orders for seeds, bulbs, plants, supplies and other materials (merchandise) placed with Seller. All negotiations with sales representatives or other agents of Seller are merged herein. No modification of these terms and conditions shall be effective unless in writing signed by Seller. Placement of the order shall constitute Purchaser's acceptance of these terms and conditions. All orders are subject to acceptance by Seller at our offices in West Chicago, Illinois.

LIMITATION OF WARRANTY

Seller warrants, to the extent required by law, that merchandise conforms to the description appearing in Seller's catalog and on container labels, within recognized tolerances. SELLER MAKES NO OTHER OR FURTHER WARRANTY, EXPRESS OR IMPLIED. ALL OTHER OR FURTHER WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXCLUDED. Certain merchandise may be separately warranted by the manufacturer. Seller does not adopt or ratify any manufacturer warranties, express or implied, and Seller shall have no liability thereunder. Seller does not adopt or ratify any manufacturer warranties, express or implied, made by Purchaser upon resale of the merchandise, and Seller shall have no liability thereunder.

LIMITATION OF REMEDY

PURCHASER'S SOLE AND EXCLUSIVE REMEDY SHALL BE REFUND OF THE PURCHASE PRICE. SELLER'S LIABILITY, WHETHER FOR BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, PRODUCTS LIABILITY OR ANY OTHER THEORY OF LIABILITY, IS LIMITED TO THE AMOUNT OF THE PURCHASE PRICE. UNDER NO CIRCUMSTANCES SHALL SELLER BE LIABLE FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE, OR FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES.

USE RESTRICTION

Merchandise is not intended for sale to large-scale commercial growers of herbs or vegetables. Use, transfer and/or acquisition of seed constitutes acceptance of a limited right to use the seed solely to grow a single crop for food, feed, processing or ornamental purposes. No other use is permitted. Any transfer of seed must be accompanied by this use restriction.

MANDATORY ARBITRATION

ANY CLAIM WHICH PURCHASER MAY HAVE AGAINST SELLER ARISING OUT OF OR RELATING TO THE SALE OF THE MERCHANDISE SHALL BE SETTLED BY BINDING ARBITRATION IN ACCORDANCE WITH THE COMMERCIAL ARBITRATION RULES OF THE AMERICAN ARBITRATION ASSOCIATION, SAID ARBITRATION TO BE VENUED IN COOK OR DUPAGE COUNTIES, ILLINOIS. The laws of several states require arbitration, conciliation or mediation of disputes involving allegedly defective seed before legal action may be taken. Purchaser should contact the State Department of Agriculture for information. Such laws typically require that a complaint be filed with the State Department of Agriculture in time to permit inspection of the seed, crops or plants. If such a complaint is filed, a copy must be sent to Seller by registered or certified mail.

GOVERNING LAW, JURISDICTION & VENUE

The laws of the State of Illinois, including but not limited to the Uniform Commercial Code as adopted therein, shall govern all matters arising out of or relating to Seller's sale of merchandise. ANY DISPUTE NOT SUBJECT TO ARBITRATION AND ANY ACTION TO ENFORCE AN ARBITRATION AWARD ARISING OUT OF OR RELATING TO THE SALE OF MERCHANDISE HEREUNDER SHALL BE MAINTAINED IN THE STATE OR FEDERAL COURTS LOCATED IN DUPAGE OR COOK COUNTIES, ILLINOIS, AND PURCHASER SUBMITS TO THE JURISDICTION OF AND VENUE IN SAID COURTS.

INDEMNITY

By accepting merchandise, Purchaser agrees to defend Seller, to hold it harmless and indemnify it from and against any claim or loss asserted by any or all transferees of such merchandise or users of the products of such merchandise who are not notified by Purchaser in writing of Limitation of Warranty, Limitation of Remedy, Mandatory Arbitration, Governing Law Jurisdiction and Venue, and Notice Regarding Seed-Borne Diseases in language substantially equivalent to that contained in these Terms & Conditions of Sale.

PRICES

All prices are subject to change without notice. The price in effect at time of shipment will prevail. Prices do not include installation; Seller takes no responsibility, and shall have no liability for installation. Requests to package seed in unlisted sizes will incur a charge of \$0.75 per packet. Additional processing and handling charges may be added.

PAYMENT

Payment is due in invoiced currency and in accordance with the terms specified on invoice. In the event of default in the payment of any amount when due, and in addition to all other

rights and remedies available to Seller, SELLER SHALL BE ENTITLED TO COLLECT A LATE CHARGE OF 2% PER MONTH (24% PER YEAR) OR THE MAXIMUM RATE ALLOWED BY LAW, WHICHEVER IS LESS, ON ALL AMOUNTS PAST DUE FROM THE DATE DUE UNTIL THE DATE PAID. A FEE OF \$25.00 WILL BE CHARGED FOR ANY RETURNED CHECK, DECLINED EFT TRANSACTION OR DECLINED BANKCARD TRANSACTION.

FREIGHT & HANDLING CHARGES, INSPECTION, DAMAGED GOODS

The freight and handling charge on Purchaser's invoice covers shipment of the merchandise to Purchaser's destination, and replacement or credit for damaged merchandise if the steps listed here are followed. PURCHASER WILL NOT REFUSE OR RETURN GOODS, OR THE RIGHT TO FILE A CLAIM IS LOST AND PURCHASER WILL STILL BE LIABLE FOR THE MATERIAL AND THE FREIGHT. When Purchaser receives shipment: 1) Count all cartons. 2) Inspect all cartons for external damage. 3) Check for open or resealed cartons. 4) Note any damages, shortages, open or resealed cartons on the delivery receipt; the carrier's representative must also sign the receipt. 5) Open all boxes immediately and inspect for damage due to weather-related issues, such as scorched, frozen or broken plants; material shortages; etc. NOTIFY SELLER IMMEDIATELY IF A SHIPMENT IS DAMAGED. Call the Ball Traffic Department at **800 879-BALL** to report the damage and receive details on what is needed to file a claim.

CANCELLATION POLICY

Cancellations for unrooted cuttings must be received at least thirty (30) days prior to scheduled ship date. Cancellations for liners or seed-raised plugs must be received prior to stick or sow date.

NOTICE & RETURN

Seller shall have no liability for any defect unless notice is given promptly, not to exceed thirty (30) days after such a defect is or should have been discovered. The buyer is limited to six months from the ship date. Issues that arise past six months will not be considered for credit. No merchandise may be returned without the Seller's prior written authorization. Requests to return merchandise must be made within ten (10) days after delivery. All returns must be in accordance with Seller's shipping instructions with freight paid by Purchaser. All requests for return of merchandise must be made to Ball at **800 879-BALL**. The Purchaser will also be asked to provide a letter stating the reason for the return.

The order number or invoice number must accompany the return in order to expedite the credit. NOTE: No seed will be accepted without prior notification to Ball at **800 879-BALL**. Effective immediately, seed that is returned without authorization will not be

accepted and credit will not be issued. For all Purchasers in the United States, a FedEx call tag will be issued upon authorization of return. There is a \$10.00 freight charge for the FedEx return. Seed must be returned in the original condition within thirty (30) days of the ship date for full credit. No open packages will be accepted. If seed is returned within thirty-one (31) to sixty (60) days after ship date, full credit will be given but a 15% restocking charge will be assessed. No credit or replacement will be given for seed returned after sixty-one (61) days from our ship date. Because Ball® Controlled Growth seed is perishable and has a shorter shelf life, no returns of these products will be accepted.

DELAYS, SHORTAGES & SUBSTITUTIONS

Seller shall not be responsible for delays in delivery or for losses resulting from such delays. Seller reserves the right to make partial shipment. In the event of shortages, Seller may substitute such other, similar merchandise as is available.

PLANT PROTECTION

Varieties described herein may be protected by United States Plant Variety Protection, United States Plant Patents, Utility Patents, and/or Plant Breeders' Rights. Many of the varieties are also protected by the Flowering-Only License Agreement as well as registered with the Canadian Ornamental Plant Foundation. These varieties may not be reproduced without authorization. The breeder or authorized representative has the right to inspect Purchasers' nurseries during normal business hours to assess compliance with the restrictions on use of protected varieties.

TRADEMARKS

Trademarks are the property of Ball Horticultural Company, unless otherwise indicated.

SALES LIMITATIONS

THE COMPANY'S PRODUCTS MAY NOT BE SOLD, DIVERTED, TRANSFERRED OR RE-EXPORTED, DIRECTLY OR INDIRECTLY, TO ANY INDIVIDUAL, ENTITY, OR DESTINATION THAT IS SUBJECT TO UNITED STATES OR UNITED NATIONS SANCTIONS PROGRAMS OR EMBARGOS (INCLUDING BUT NOT LIMITED TO OFAC SANCTIONS PROGRAMS AND THOSE LISTED ON OFAC'S "SPECIALLY DESIGNATED NATIONALS" LIST) WITHOUT AN APPROPRIATE EXPORT LICENSE.

ALL SHIPMENTS MUST BE SHIPPED IN COMPLIANCE WITH THE FOREIGN CORRUPT PRACTICES ACT AND THE UK BRIBERY ACT.

NOTICE REGARDING SEED-BORNE DISEASES

Seller makes no representation regarding the freedom from seed-borne diseases of the seed sold and disclaims any liability relating to such diseases, whether previously known to exist or not identified until this seed is grown.
