

Snapshot™ picture-perfect performance

Snapshot Series

Snapshot Series Snapdragon

Delivering the perfect balance of earliness and good pack performance, Snapshot is also an excellent garden performer.

Bushy, compact plants make closely spaced flower spikes for high-impact color shows. Uniform flowering, with a 7-day window for Spring and Fall sales in packs and small pots. Supplied with excellent seed quality – 85% minimum germ standard.

Rose received an excellent rating at the 2007 Boerner Botanical Gardens Trial in WI. White and Yellow received very good ratings at the Massachusetts Hort. Society Trial Garden Evaluations in 2007.
