

Pacifica XP ^{is} easy to grow and sell at retail

Pacifica XP Series

Pacifica Series Vinca

The earliest, largest-flowered and most vigorous O.P. vinca comes with XP uniformity, making it even easier to grow and more appealing at retail.

The Pacifica XP varieties deliver a tight flowering window and uniform, upright habit across all colors. It's the only vinca series on the market with colors covering all top sellers plus novelties, including the only true Red. Outstanding in hot, dry and sunny conditions, these durable, stress-tolerant plants meet the increasing consumer demand for water-wise, heat-loving crops.

Burgundy Halo XP is an All-America Selections winner.

Series received excellent scores at the University of Minnesota Annual Flower Variety 2008 trial in Grand Rapids and Morris, MN. All XP varieties received an excellent rating in 2008 at the W. Madison Ag Research Station in Verona, WI.

Baill®

VINCA 
Catharanthus roseus

Pacifica Series

Height: 10 to 14 in. (25 to 35 cm)
