PUNCH ‘N GRO®

Pays for itself in 3 business days!

The simple, mobile Punch ‘N Gro machine provides highly efficient, high-speed transplanting without the need for electricity. It was invented by Tagawa more than 20 years ago.

This labor-saving machine pushes plugs through the tray into finished containers without damaging the cuttings, resulting in stronger, healthier roots. It requires almost no maintenance!

With over 50 years of plug production experience, Tagawa is able to provide all of the plugs you need and more!

Ask your Ball Seed or Tagawa sales rep for more information about labor-saving transplant bundling options available.

SAVE TIME AND LABOR WITH PREFINISHED PLANTS

Discover the perfect solution to quick and profitable turns for your facilities or retail spaces.

SPRING PREFINISHED

During the Winter months, we get young plants started in 4.25-in. (11-cm) pots in perfectly controlled greenhouses. The prefinished plant is ideal for use in hanging baskets and combos by Week 6. From here, our Southeast and Midwest customers only need about two weeks and a simple routine to bring these plants to market. Our customers save time, labor and energy with the quick turnaround of these full and healthy, retail-ready plants. You get what you need – as soon as possible.
MOREL CYCLAMEN PREFINISHED

STRONG LANDSCAPE PERFORMANCE
Morel Cyclamen are bred in the South of France where the temperatures are much warmer. Since they have a greater heat tolerance than other varieties, this makes them more suitable for North American markets. With superior landscape performance, Morel's OUTstanding Cyclamen® selection features the best outdoor varieties that promote a long flowering period in the garden, on the patio or balcony. They have the best resistance to water stress and temperature variations, the highest production of new flower buds and have high-impact show in the landscape. Each year, these top garden varieties have obtained the best scores in extreme conditions compared to all of our customers’ tested varieties.

**LIMITATION OF WARRANTY**

Seller warrants, to the extent required by law, that merchandise conforms to the description appearing in Seller’s catalog and on container labels, within recognized tolerances. SELLER MAKES NO OTHER OR FURTHER WARRANTY, EXPRESS OR IMPLIED. ALL OTHER OR FURTHER WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXCLUDED. Certain merchandise may be separately warranted by the manufacturer. Seller does not adopt or ratify any manufacturer warranties, express or implied, and Seller shall have no liability thereunder. Seller does not adopt or ratify any manufacturer warranties, express or implied, and Seller shall have no liability thereunder. 

**LIMITATION OF REMEDY**

PURCHASER’S SOLE AND EXCLUSIVE REMEDY SHALL BE LIMITED TO THE AMOUNT OF THE PURCHASE PRICE. SELLER'S LIABILITY, WHETHER FOR BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, PRODUCTS LIABILITY OR ANY OTHER THEORY OF LIABILITY, IS LIMITED TO THE AMOUNT OF THE PURCHASE PRICE. UNDER NO CIRCUMSTANCES SHALL SELLER BE LIABLE FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE, OR FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES.

**USE RESTRICTION**

Merchandise is not intended for sale to large-scale commercial growers of herbs or vegetables. Use, transfer and/or acquisition of merchandise constitutes acceptance of a limited right to use the merchandise only to grow a single crop for food, feed, processing or ornamental purposes. **INDEMNITY**

By accepting merchandise, Purchaser agrees to defend Seller; to hold it harmless and indemnify it from and against any claim or loss asserted by any or all transferees of such merchandise or users of the products of such merchandise who are not notified by Purchaser in writing of Limitation of Warranty, Limitation of Remedy, Mandatory Arbitration, Governing Law, Jurisdiction and Venue, and Notice Regarding Seed–Borne Diseases in language substantially equivalent to that contained in these Terms & Conditions of Sale.

**PRICES**

All prices are subject to change without notice. The price in effect at time of shipment will prevail. Prices do not include installation; Seller takes no responsibility, and shall have no liability for installation. Requests to package seed in unlisted sizes will incur a charge of $0.75 per package. Additional processing and handling charges may be added.

**PAYMENT**

Payment due in invoiced currency and in accordance with the terms specified on invoice. In the event of default in the payment of any amount when due, and in addition to all other rights and remedies available to Seller, Seller shall be entitled to collect a late charge of 2% per month (24% per year) or the maximum rate allowed by law, whichever is less, on all amounts past due from the date due until the date paid. A fee of $25.00 will be charged for any returned check, declined EFT transaction or declined bank card transaction.

**FREIGHT & HANDLING CHARGES, INSPECTION, DAMAGED GOODS**

Freight and handling charge on Purchaser’s invoice covers shipment of the merchandise to Purchaser’s destination, and replacement or credit for damaged merchandise if the steps listed here are followed. PURCHASER WILL NOT REFUSE OR RETURN GOODS, OR THE RIGHT TO FILE A CLAIM IS LOST AND PURCHASER WILL STILL BE LIABLE FOR THE MATERIAL AND THE FREIGHT. When Purchaser receives shipment: 1) Count all cartons. 2) Inspect all cartons for external damage. 3) Check for open or resealed cartons. 4) Note any damages, shortages, open or resealed cartons on the delivery receipt; the carrier’s receiptive must also sign the receipt. 5) Open all boxes immediately and inspect for damage due to weather–related issues, such as scorched, frozen or broken plant material shortages; etc. NOTIFY SELLER IMMEDIATELY IF A SHIPMENT IS DAMAGED. Call the Ball Traffic Department at 800 879–BALL to report the damage and receive details on what is needed to file a claim.

**CANCELLATION POLICY**

Cancellations for unrooted cuttings must be received at least thirty (30) days prior to scheduled ship date. Cancellations for liners or seed–raised plugs must be received prior to pick or sow date.

**NOTICE & RETURN**

Seller shall have no liability for any defect unless notice is given promptly, not to exceed thirty (30) days after such a defect is or should have been discovered. The buyer is limited to six months from the ship date. Issues that arise past six months will not be considered for credit. No merchandise may be returned without the Seller’s prior written authorization. Returns to return merchandise must be made within ten (10) days after delivery. All returns must be in accordance with Seller’s shipping instructions with freight paid by Purchaser. All requests for return of merchandise must be made to Ball at 800 879–BALL. The Purchaser will also be asked to provide a letter stating the reason for the return. The order number or invoice number must accompany the return in order to expedite the credit. NOTE: No seed will be accepted without prior notification to Ball at 800 879–BALL. Effective immediately, seed that is returned without authorization will not be accepted and credit will not be issued. For large purchasers in the United States, a FedEx Call tag will be issued upon authorization of return. There is a $10.00 freight charge for the FedEx return. Seed must be returned in the original condition within thirty (30) days of the ship date for full credit. No open packages will be accepted. If seed is returned within the thirty (30) to sixty (60) day period, full credit will be given but a 15% restocking charge will be assessed. No credit or replacement will be given for seed received after sixty–one (61) days from our ship date. Because Ball® Controlled Growth seed is perishable and has a shorter shelf life, no returns of these products will be accepted.

**DELAYS, SHORTAGES & SUBSTITUTIONS**

Seller shall not be responsible for delays in delivery or for losses resulting from such delays. Seller reserves the right to make partial shipment. In the event of shortages, Seller may substitute such other, similar merchandise as is available.

Many of the varieties are also protected by the Flowering–Only License Agreement as well as registered with the Canadian Ornamental Plant Foundation.
