ON A PERSONAL NOTE, with 2024 being my last year in the industry before retiring, I am looking forward to a very successful final year! I have enjoyed the partnership between Ball Seed and Tagawa, and all the exciting programs we have developed together over the years. Next season, my successor, Tom Seery, will take over to carry on this very important partnership. We both look forward to 2025 with the anticipation of even more innovative products and programs.

NEW Caliburst Yellow Petchoa

NEW FuzzyFern Frizz Asparagus
At Tagawa, we continually provide exciting new seed solutions for successful growing. Here are three distinct products that offer benefits for a game-changing greenhouse.

With high demand for *Asparagus densiflorus* ‘Sprengeri’ in the market and minimal seed available, this asparagus fern saves money and grief by providing a more reliable supply of seed with higher germination.

- Higher germination seed provides growers with a money-saving option to produce a reliable plug with fewer seeds.
- Frizz brings a fun texture to mixed containers, hanging baskets, indoor applications, and even landscapes in some regions.
- This trailing foliage item can handle both sun and shade, plus indoor and outdoor use for more versatility.

**BEACON® Impatiens Adds a Strong NEW Color for Shade**

Announcing a popular color addition for the Beacon Series, NEW Lipstick, expanding the versatile series with high resistance to the widely prevalent populations of *Plasmopara destructor*, the cause of Impatiens downy mildew (IDM).

- Beacon impatiens offers the opportunity to bring back into production a well-known, in-demand, easy-to-grow and versatile product for increased sales.
- Extensive trialing has proven that Beacon impatiens provides genetic high resistance to IDM. Beacon is not immune to IDM; there are scenarios where preventative IDM fungicides may be recommended.
- With 8 vibrant colors and 6 bold mixes, Beacon provides fast-filling, season-long color for shade gardens and landscapes.

*Super Elfin® Series and Dazzler® Series Impatiens will no longer be offered.*

MOREL CYCLAMEN PREFINISHED

STRONG LANDSCAPE PERFORMANCE

Morel® Cyclamen are bred in the South of France, where temperatures stay very warm. It is this greater heat tolerance that makes Morel Cyclamen exceptional for North American markets and more suitable than other cyclamen varieties for containers.

With superior outdoor performance, Morel’s OUTstanding Cyclamen® selection features striking outdoor varieties that promote a long flowering period and high-impact display in containers on patios and balconies. In addition to the highest production of new flower buds, they feature the best tolerance to water stress and temperature variations. Each year, Morel’s OUTstanding Cyclamen varieties continue to obtain the best scores in extreme conditions among tested varieties.

Note: Ball Terms & Conditions of Sale are country/region specific. The following Terms & Conditions of Sale apply to products sold within the United States and Canada.

ACCEPTANCE OF TERMS

These terms and conditions shall govern orders for seeds, bulbs, plants, supplies and other materials (merchandise) placed with Seller. All negotiations with sales representatives or other agents of Seller are merged herein. No modification of these terms and conditions shall be effective unless in writing signed by Seller. Placement of the order shall constitute Purchaser’s acceptance of these terms and conditions. All orders are subject to acceptance by Seller at our offices in West Chicago, Illinois.

LIMITATION OF WARRANTY

Seller warrants, to the extent required by law, that merchandise conforms to the description appearing in Seller’s catalog and on container labels, within recognized tolerances. SELLER MAKES NO OTHER OR FURTHER WARRANTY, EXPRESS OR IMPLIED. ALL OTHER OR FURTHER WARRANTIES, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, TITLE, NON-INFRINGEMENT AND FITNESS FOR A PARTICULAR PURPOSE, ARE EXCLUDED. Certain merchandise may be separately warranted by the manufacturer. Seller does not adopt or ratify any manufacturer warranties, express or implied, and Seller shall have no liability thereunder. Seller does not adopt or ratify any manufacturer warranties, express or implied, made by Purchaser upon resale of the merchandise, and Seller shall have no liability thereunder.

LIMITATION OF REMEDY

PURCHASER’S SOLE AND EXCLUSIVE REMEDY SHALL BE REFUND OF THE PURCHASE PRICE. SELLER’S LIABILITY, WHETHER FOR BREACH OF CONTRACT, BREACH OF WARRANTY, NEGLIGENCE, PRODUCTS LIABILITY OR ANY OTHER THEORY OF LIABILITY, IS LIMITED TO THE AMOUNT OF THE PURCHASE PRICE. UNDER NO CIRCUMSTANCES SHALL SELLER BE LIABLE FOR DAMAGES IN EXCESS OF THE PURCHASE PRICE, OR FOR ANY SPECIAL, INCIDENTAL, INDIRECT OR CONSEQUENTIAL DAMAGES.

USE RESTRICTION

Merchandise is not intended for sale to large-scale commercial growers of herbs or vegetables. Use, transfer and/or acquisition of merchandise constitutes acceptance of a limited right to use the merchandise solely to grow a single crop for food, feed, processing or ornamental purposes. No other use is permitted. Any transfer of merchandise must be accompanied by this use restriction.

MANDATORY ARBITRATION

ANY CLAIM WHICH PURCHASER MAY HAVE AGAINST SELLER ARISING OUT OF OR RELATING TO THE SALE OF THE MERCHANDISE SHALL BE SETTLED BY BINDING ARBITRATION IN ACCORDANCE WITH THE COMMERCIAL ARBITRATION RULES OF THE AMERICAN ARBITRATION ASSOCIATION, SAID ARBITRATION TO BE HELD IN COOK OR DUPAGE COUNTIES, ILLINOIS.
