

SB02 Semi-automatic machine is designed for efficient nursery production.

Manual
Filler

Bale
Breaker

Mixer

The **SB02** system makes it easy to fill containers while easily incorporating bulbs, trees or roots through the filling process.

- Ensures low damage to soil fiber
- Mix soil or break peat moss bales in less than 1 minute per batch
- Use with peat and light soil mixes
- Add water, fertilizer, small bark, etc.
- A favorite with organic growers, too
- Arrives ready to use – just uncrate, plug in and start!
- Very portable

LOW WORK LEVEL
makes loading easy

**1-CU. YD. MIXING
HOPPER** is designed for
low soil fiber damage

AUGER AND FOOT PEDAL
makes this a filling system
or enables you to use it to
feed another flat filler
