

SB07 Easily move up soil to use with fillers & mixers.

Soil Elevator Conveyor

The **SB07** Soil Elevator Conveyor can move up any type of soil easily and quickly at up to 16 cubic feet (0.45 cubic meters) per minute. Its adjustable unloading level allows it to be combined with most soil fillers and mixers to meet a variety of needs.

MOTOR is available in different voltage strengths

SOIL OUTPUT releases soil into filler or mixer

CONVEYOR BELT carries soil up to 89 in. (226 cm)

FUNNEL allows quick dispensing of soil to be moved
