

# SB08 Big Bale Breaker is easy to use, adjustable and portable.

Big Bale  
Breaker

The portable **SB08** Big Bale Breaker from SB Machinerie has a new design that facilitates easy moving by hand or with an ATV or tractor for indoor and outdoor use.

- Water injection system combines with a discharging and fluffer system to allow water to be in contact longer
- Provides a mixture of peat moss and water much more consistent than other machines of this type
- Holding bale system controls the speed of the tilting bale, eliminating all dust at the output
- Hydraulic adjustable unloading level allows the SB08 to be combined with any filler equipment or low enough to be moved into the greenhouse aisle
- Includes pneumatic wheels and hydraulic overall height adjustment

**HOLDING BALE SYSTEM**  
gently cradles the bale,  
preventing excess dust

**COMPATIBLE**  
with any tower bales

**BAR LEVEL  
SENSORS**  
turn the machine  
off and on

**ADJUSTABLE HEIGHT DISCHARGE**  
by hydraulics allows this machine to  
be combined with other equipment

**WATER INJECTION SYSTEM**  
creates a uniform mixture
