

# SB10 Unique “easy-assemble, fast-move” conveyor cuts costs.

## Conveyor

The **SB10** Telescoping Conveyor has a unique design that lets you stack and move 8 sections at one time – 1 motorized and 7 non-motorized.

- Requires only 2 people and less than 3 minutes for set-up of 100 ft. (30.5 m) of conveyor!
- Features strong frame and pneumatic wheels on all sections for use indoors or out
- Adjustable up to 45° incline
- Available in 12.5-ft. (3.8-m) sections that can be assembled to any length
- Needs just 1 motorized section for every 125 ft. (38 m) of conveyor
- Arrives ready to use – just uncrate and start!
- Very portable

“V” GUIDE under belt ensures continuous tracking and alignment

WHEELS AND STAND on every section for easy moving
