MEDIA MANAGEMENT SYSTEMS & ACCESSORIES		Material No	Link to Sell Sheet	Description	Key Selling Points	Video / Detail	Fills?	Mixes?	Hopper Capacity	Mixer?	Mobile?
SB01	01 SoilMixer Flat&Pot Fill 1 cu. yd.	298807	SB01	Complete Flat / pot filling system	Bale breaker, mixer and loose fill hopper system.	SB01	Flats, flats pots up to 12" Pots & HB	Suitable for all soil types. Works with loose fill and compressed.	1 cubic yard	Yes	Yes
SB01	01 Hopper	769802	SB01	Hopper funnel to load SB01 with front end loader	For use with bulk loose fill	SB01					
SB02	02 Soil Mixer 1 cu. yd.	298808	SB02	1 cu yd. Media Mixer Bale Breaker	Manual Filler or bale breaker / mixer used in conjunction of other fillers.	SB02	Manual filling of Flats, flats pots any height Pots & HB	Suitable for all soil types. Works with loose fill and compressed.	1 Cubic yard	Yes	Yes
SB03	03 Try/Pt FillrBaleBr 1.75 cyd	350620	SB03	High speed flat / pot filling system - up to a 5 gal container to plug tray	For use with loose fill and bulk media	SB03	Flats, flats pots up to 15" Pots & HB	Suitable for all soil types. Intended for loose fill only.	1.75 cubic yards	No	Yes
SB03	03 Vibrating Conveyor	1336249	SB03	Accessory SB03: for use with small cell uniform compaction and fill system	For use with propagation trays	SB03					
SB03	03 Hopper	769801	SB03	Accessory SB03: additional hopper capacity		SB03					
SB03	03 Pneumatic Wheels / Tow Bar	769803	SB03	Accessory SB03: pneumatic wheels and tow system	Upgrade from standard hard castor wheels.	SB03					
SB03	03 PT Power Transfer	1264360	SB03	Accessory SB03: Power transfer system to connect non-motorized SB10 belt conveyor	Power up to 3 SB10 non motorized sections	SB03					
SB05	05 Manual Flat/Pot Bale Br/Mix	774677	SB05	Simple bale breaker / mixer / loose media - manual flat, pot filling system	Inexpensive, for use with single 3.8 bales or mixing organics	SB05	Manual filling of Flats, flats pots any height Pots & HB	Suitable for all soil types. Works with loose fill and compressed.	0.6 cubic yard	Yes	Yes
SB06	06 MiniFlat/Pot Filler Bale Br	500861	SB06	Small, high speed flat /pot fill system: 1000 10' baskets per hour	Bale breaker / fill system in small working foot print.	SB06	Flats, flats pots up to 12" Pots & HB	Suitable for all soil types. Works with loose fill and compressed.	0.6 cubic yard	No	Yes
SB06	06 Vibrating Conveyor	563600	SB06	Accessory SB06: for use with small cell uniform compaction and fill system	For use with propagation trays	SB06					
SB06	06 Pneumatic Wheel	563603	SB06	Accessory SB06: pneumatic wheels and tow system	Upgrade from standard hard castor wheels.	SB06					
SB08	08 Large Compressed Bale Br	428815	SB08	3 stage tower bale fluffing system, injecting moisture while decompressing uniformly	Small compact system that is movable.	SB08	Tower Bale Fluffer	Compressed Bales		No	Yes
SB08	08 Side Unloading	894073	SB08	Accessory SB08: media discharge from side of front		SB08					
SB09	09 UltraMini Bale Breaker/Mixer	729774	SB09	Single 3.8 decompressing bale fluffer / media mixer	Small bale breaker mixer	SB09	Manual filling of Flats, flats pots any height Pots & HB	Suitable for all soil types. Works with loose fill and compressed.	6 cubic feet	Yes	Yes
SB20	20 Bale Hoist w/Elec. Winch	1336251		Unique hoist system for lifting 3.8 bales for loading.	Can be used with all media handling equipment.						
	Rubber Brush/Fin Replace kit	769804		Replacement kit for sweeper systems on all SBM equipment							
SB18	18 Cart Wagon		SB18	For moving common greenhouse carts over uneven terrain	Multiple wagons for pulling in sequence.	SB18

CONVEYOR SYSTEMS & ACCESSORIES		Material No	Link to Sell Sheet	Description	Key Selling Points	Video / Detail	
SB10	10 Motorized Sec Conveyor 12.5'	298821	SB10	Portable / moveable conveyor system	Motorized section powers up to 150' of conv.	SB10	based on total weight per belt
SB10	10 Motorless Sec Conveyor 12.5'	298822	SB10	Portable / moveable conveyor system	11 non-motorized sections driven by single motorized.	SB10	
SB10	10 90° Transfer Corner Guide Rails w/Disk Spindle	298823	SB10	Guide flats and shuttle trays onto another conveyor direction		SB10	
SB 10	10 Motorized belt Corner Transfer	1201643	SB10	Transfer pots onto another conveyor direction		SB10	
SB10	Plug Tray Rack-attachment to conveyor belt	428816	SB10	Plug tray holder while hand transplanting over conveyor		SB10	
SB10L	10 Limit Switch / stop-bar deactivation switch	1122026	SB10	Limit switch turning off conveyor system when triggered.		SB10L	
SB10PW	10 Power Unit Conveyor-power stand driving non-motorized conveyors	1122027		Single motor stand powering non-motorized conveyor sections.			
10'L	R-10 Roller Conveyor	298824		10' gravity roller conveyor			
5'L	R-5 Roller Conveyor	298825		5' gravity roller conveyor			
SB12	Conveyor Tripod	298826		Tripod supporting roller conveyors.		SB12	
SB12	Cutting fee/Roller Conveyor	729775		Fee for cutting standard roller conveyors to size.		SB12	
SB12	Conveyor Connector	350608		Brackets, hooks and post for linking roller conveyors together.		SB12	
SB13	13 In-Line conveyor counter	1260195	SB13	Counts containers on conveyor line		SB13	Flats, Pots & HB
SB13	13 In-Line Conveyor Counter with Alarm	1336250	SB13	Counts containers on conveyor line with programmable alarm and shutoff		SB13	
SB13	13 Stand for In-Line Conveyor Counter	1264611	SB13	Stand		SB13	
SB 15	15 PNG Transplanter Conveyor	1183402		Powered conveyor for use with Punch n' Gro transplanter system	Simplified model of the Blackmore Co. original design.
